**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition, because I have the fortune of having more options than Comcast. Smaller companies innovate rapidly on a focused mission, deliver high customer service, and keep larger providers on their toes. I do not support price hikes that will serve the complacent. If you have ever been on the phone with your own provider, and wished you had a better option, we are on the same side.
